### Important Note:

The numbers listed next to each county that reflect arts-related business and jobs are derived solely from registered businesses with Dun & Bradstreet. These analyses indicate an under-representation of not-for-profit arts organizations and artists and should be considered conservative estimates, since many not-for-profit organizations and individual artists do not register with Dun & Bradstreet.

Many thanks to Americans for the Arts for providing these creative industries’ reports for Florida counties to allow this report to be created by the Florida Association of Local Arts Agencies.
