You'll see a blue box showing the progress of the file upload. When finished, you'll see "Done!" and a green box.

Then you'll be taken to a screen that looks like this. Note that **you DO NOT need to create** a Dropbox account.

The screenshot shows a white background with the following elements:

- Text: "Thanks! You're all done." in a large, dark blue font.
- Text: "Want to request files from people you know? Create a Dropbox account!" in a smaller, grey font.
- Two input fields: "Another Art" and "Last name", both with light grey borders.
- An email input field containing "tsimons@tampaarts.org" with a yellow highlight.
- A password input field with a yellow highlight and a strength indicator on the right.
- A checkbox labeled "I agree to [Dropbox Terms](#)".
- A blue button with the text "Create an account".

You may close your browser. You will get an email from the Dropbox system confirming your files were uploaded.
