

ARTS COUNCIL OF HILLSBOROUGH COUNTY CULTURAL DEVELOPMENT GRANT PROGRAM

Frequently Asked Questions About the Application Process

WHAT IS THE CULTURAL DEVELOPMENT GRANT?

The Cultural Development Grant Program provides general program support to local cultural organizations with programming that not only serves diverse audiences but also reaches geographically diverse communities. In addition, it is the intent of the program to encourage the development of both cultural and administrative operations of these organizations. Funds provided through this grant program are also intended to enhance the organization's ability to attract new audiences and increase funding from other sources.

An organization applying for a grant must have as its primary mission the delivery of cultural programs. Cultural disciplines encompass, but are not limited to: architecture, crafts, creative writing, dance, history, literature, media arts, music, photography, theatre, traditional arts, visual arts, and the execution, exhibition, or presentation of such allied cultural forms.

Cultural Development Grants are awarded on a competitive basis and are judged on cultural merit, community outreach and financial/administrative management. This annual grant cycle is Oct. 1 through Sept. 15.
